Bellarine Theatre Company is thrilled to be returning to the stage for our **16TH SEASON!**

We are very excited to be exploring new partnerships as well as special performances at local venues throughout our area. In addition to our main stage performances of **MATILDA JR.**, and **FINDING NEVERLAND** we will be hosting special events throughout the remainder of this season including full-length plays, our annual audience participation screenings of *The Rocky Horror Picture Show*, vendor events, summer camps, special needs friendly performances, and more.

Bellarine Theatre Company is a 501(c)3 Non-Profit organization devoted to leaving a positive impact on our community, audience, and company members by providing an invigorating theatrical experience. We believe in the advancing our craft by providing opportunities for all through education, collaboration, and exploration. Our productions are written about in various publications such as *The Press of Atlantic City*, *The Sandpaper*, *Breakers Magazine*, and various online news outlets. Bellarine is excited to embark on this season and expand the company's drawing power, giving new audiences the opportunity to experience the joy of live theatre.

Bellarine Theatre Company values the passion and drive of our volunteers, which include the creative team, performers, designers, technicians, musicians, and staff. We value the community's support and love for the arts, and believe that everyone can benefit from a live theatrical experience! As a Non-Profit in the community, we collaborate with other organizations, individuals, and businesses to help keep the arts alive. Our audiences have the ability to consist of thousands of members in our community and visitors to our area! Ticket sales do not sustain our funding, and we rely on the support of our community throughout the year to continue our mission. Bellarine is looking for Season Sponsors for our 2026 summer production season and will have sponsorship opportunities available for individual productions as well. We hope you will take the time to review our sponsorship opportunities and help to support the arts in Ocean County. Thank you!
